### CURATED SITE VISITS

Friday 8 April is reserved for SportNXT and the Victorian Government to host curated site visits to selected sports infrastructure in and around Melbourne. These site visits are complimentary for delegates to attend but registration is required which will take place via the delegate portal closer to the event.

Due to the logistics of touring the respective venues, each site visit has a capacity limit. Attendance at these site visits will be based on a first-come, first-served basis.

As site visits will be held in different locations and at different times, unfortunately, it is not possible to attend all of them. Delegates will have the option to select one of each from the morning and/or afternoon sessions. If you would like to attend the F1 Grand Prix, this will be the only site visit you will be able to attend due to the other site visit timings.

From  
**12.00**  
onwards

### FORMULA 1 AUSTRALIAN GRAND PRIX

On the eve of the Formula 1® Heineken® Australian Grand Prix 2022, get a behind-the-scenes look at how one of Australia's premier international major events operates with the Australian Grand Prix Corporation treating you to an exclusive tour of the Grand Prix set up, including hospitality and operational areas. General admission passes will be available for all delegates once the tour has concluded to stay onsite and watch the action. This unique opportunity is not to be missed.

From  
**10.30**  
to  
**11.30**

### **AUSTRALIAN GOLF CENTRE**

The Australian Golf Centre is the new home of Australian golf located in Sandringham within Melbourne's world-famous Sandbelt, opposite the Royal Melbourne Golf Club, one of the finest golf courses in the world.

With strong support from the Victorian Government, the Australian Golf Centre has united Golf Australia, PGA of Australia, and WPGA of Australia to raise Australian golf to new heights.

Come and learn about the landmark inaugural Australian Golf Strategy and the ongoing development plans for the Centre, the creation of the exciting Sandy Golf Links by world-renowned golf course architects, Ogilvy Cocking and Mead; and experience first-hand the state-of-the-art National High-Performance Centre, all of which are aimed at raising Australian golf to new heights of enjoyment and success.

From  
**10.30**  
to  
**12.00**

### **THE MCG**

The Melbourne Cricket Club (MCC) will take you on a guided tour of the iconic MCG and will discuss its commitment to Indigenous reconciliation, its innovative investments into green and sustainability infrastructure and its comprehensive game-day emergency management protocols. This is an amazing opportunity to visit the inner sanctum of the "G" and learn about its progressive and inclusive agenda.

From  
**10.30**  
to  
**12.30**

### **VICTORIA RACING CLUB - FLEMINGTON**

Flemington is the best-known metropolitan racecourse in Australia, with races run every year since 1840. With its superb facilities, Flemington hosts 25 race meetings annually, including the world-renowned Melbourne Cup Carnival.

The Victoria Racing Club invites you to an exclusive behind the scenes tour of the racecourse and take a peek into the stables complex, the tunnel through which the horses and jockeys pass, the mounting yard, the luscious green tracks and the spectacular Club Stand.

This experience will provide insights into the VRC's best practice event production and delivery techniques, environmental sustainable initiatives, facilities management and the history and heritage of one of the most famous sporting icons in the world.

This site will be explored on-foot and comfortable footwear is recommended.

## AGENDA DAY THREE - APRIL 8

### AFTERNOON SITE VISITS

From  
**13.30**  
to  
**14.30**

#### **PARKVILLE SPORTS PRECINCT**

Melbourne Sports Centres (MSC) is Victoria's home of high-performance sport, delivering world-class sporting environments to inspire people to push their limits and feel proud of their achievements. MSC Parkville offers sporting facilities and programs from the grassroots to high-performance, international, and Olympic level athletes. It is the home for Netball Victoria, Hockey Victoria and has a strong focus for women and girls in sport. Gain insights into how the venue manages more than 500,000 players and spectators per year (with over 80 per cent of these users being female) and learn about how the recent redevelopment will drive change and grow female leadership in sport.
